

Social Justice: Narrowing Nevada's Health Equity Gap

Thursday, September 30 – Friday, October 1, 2010
Stan Fulton Building
University of Nevada, Las Vegas

2010 Nevada Public Health Association Annual Conference

The goals of this conference are to examine the unique challenges of preventing disease and promoting the public's health in Nevada and to highlight the accomplishments of those working in public health in the Silver State. The conference provides a unique opportunity for public health professionals, researchers, and students to network and exchange ideas with their peers in the only annual statewide public health conference held in Nevada.

Who Should Attend

Public health professionals, physicians, nurses, educators, researchers, epidemiologists, administrators, and students.

Call for Abstracts

The Nevada Public Health Association is now accepting abstracts for concurrent (breakout) presentations as well as our popular annual poster session. Abstracts are due no later than August 2, 2010. Notifications of acceptance will be made by August 13, 2010. Abstracts must be submitted online. Please visit <http://www.NPHAonline.org/conference.htm> for submission information.

Visit the website at www.NPHAonline.org or call (775) 784-1983 for more information.
